LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

March 27-28, 2019

Strong families are the bedrock of sustainable communities.

As you come together during the Families in Canada Conference to share knowledge on how best to serve and support healthy relationships, I commend you for your commitment to considering a diverse chorus of voices. Together you will no doubt make progress in empowering people across this country and beyond to reach their fullest potential.

I sincerely thank the Vanier Institute of the Family for its role in working to build and maintain a more just and sustainable society. You are making an important investment in our future resilience.

Please accept my best wishes for a most productive conference.
